STOP CHILD ENDANGERMENT!

ARE YOU A GRANDPARENT/RELATIVE RAISING A CHILD???

Join us... speak up and be a "Strong Voice"
for the Children in Wyoming

Learn all about "De Facto Custody Law"...How it works and why
it Matters to 11,000 + WY children

We need laws on the books that place the safety and well-being
of the child first! Wyoming children being raised in third-party care
are literally denied "best interest" legal standards.

As a result thousands of our Wyoming children are at risk under the
current flawed state custody laws. Let's work together and send a
STRONG message to our legislators to follow suit with the Uniform State
Laws National Movement and the current 24 states including WV, IN, KY,
KS, ID, MT, CO, OK, and many others ... We will Speak Up for children's
right to a safe, stable life without physical, emotional, and chemical
drug-related harm! STOP irresponsibly sending children back to habitual
felons, the mentally ill, meth and heroin addicts ... **Please JOIN US.**
